

DIRECTIONS TO LYNCH'S MARINA IN SAUGERTIES

From South, via Rte. 9:

Rte. 9 North into Rhinebeck. About 1/4 mile past the traffic light, take the road which angles off L, before the hospital. At the end of the road, bear R onto River Road. At the light, turn L toward the bridge. After crossing over the bridge, take the first exit and turn R onto Rte. 32 North. (If roads are icy, you may want to take the second exit to Rte. 9W North, which is straighter). In Saugerties, turn R onto Rte. 9W North. In about a mile, there is a flashing light. Go straight ahead (off 9W), and down a steep hill. At the first (T) intersection turn R, then sharp L. The buildings to your R are Lynch's Marina. Continue around the curve to the parking area.

From South, via Rte 9W:

In Kingston, it becomes a sort of "superhighway" for a mile or so, and then comes to a traffic light at a T. Take your choice: Turn L, go one block, turn R and continue on 9W (following the directions above after you get to the flashing light in Saugerties), or turn R onto Rte. 32 North, joining Rte. 9W No. in Saugerties.

From South, via the Thruway:

Exit 20. After the tollbooth, turn R onto Rte. 32. Cross over the RR tracks, continue on to the traffic light at a T intersection. Bear R onto Market Street, then R again at the next light, then the first L, onto West Bridge Street. Pass the Lucky Star Restaurant, turn R onto Rte. 9W South. Cross the iron bridge, and immediately bear L, onto East Bridge Street. Go all the way to the foot of E. Bridge, then just before you drive into the creek, bear R. Straight ahead will be the old brick buildings and parking area of Lynch's Marina.

From North, via the Thruway:

Exit 20. After the toll booth, turn L, onto Rte. 32 South. At the traffic light, turn L. After you pass the northbound Thruway entrance, follow the directions above.

From North, via Rte. 9W:

Coming out of Catskill, stay on 9W as it enters Saugerties, swings to the R, and becomes Main Street. At the traffic light just past the movie theater, turn L. You'll still be on Rte. 9W South. Just past Krause's Chocolates, the road swings to the L. Cross the iron bridge, bear L onto East Bridge Street, and follow the directions above to Lynch's Marina.
