Clearwater's programs!

Clearwater's mission is to restore, preserve, and protect the Hudson River, its watershed, and the communities along its shores through science-based education, citizen action, and community outreach.

The Hudson River Sloop *Clearwater* — America's Environmental Flagship — has been named to the National Register of Historic Places for its nationally significant role in the history of American environmentalism.

Clearwater does not trade email addresses. However, we do occasionally make our donors' names and mailing addresses available to other non-profits. Please let us know if you do not want your name and mailing address shared.
