

## AIS Watercraft Inspection Steward

May 2015 through September 2015

Hudson River Sloop Clearwater is currently accepting applications for two seasonal Aquatic Invasive Species (AIS) Watercraft Inspection Stewards. The stewards will work two days each weekend (Friday-Sunday) between May 22 and September 7. The end date is flexible for students returning to college. Stewards will inform and educate the public about the threats of AIS while teaching clean boating practices, inspecting watercrafts for invasive species, and conducting brief surveys.
