Please answer the following questions briefly. You may use another sheet of paper if you need more room.

1. Why do you want to be an intern with the Clearwater Education Program?

2. Describe any camp, after-school activities or outdoor experience you may have had.

3. Do you have any special skills (music, athletics, academics)? Please describe.

4. During your experience on the *Clearwater*, you will have very little privacy. What experience do you have that demonstrates your flexibility to living in a close community with people of different backgrounds?

5. This position can be both physically and mentally challenging. What experience do you have that demonstrates your ability to deal with these challenges?

6. Describe why you feel that you may be good for this opportunity.

7. After receiving training, you will be teaching passengers about the Hudson River. Some of them will be younger than you and some may be your age. Have you ever had a chance to teach someone before?

8. We try to schedule interns with others you already know from school or other organizations. Is there anyone who has submitted an application that you would like to be paired with? Will you be able to attend without this person if we are unable to schedule you together?

9. Have you sail onboard *Clearwater* before? For a three hour sail or as a participant in a Youth Empowerment Program?

10. Is there anything else you would like us to know about yourself?

Thank you for applying for this opportunity! One of our onboard educators will give you a call soon to schedule a short phone interview. Check out our website www.clearwater.org for more information about the Hudson River Sloop Clearwater.
