

Contract for Interns

The following contract is an agreement between the student intern, the parents/guardian of the intern, the sponsoring organization and the Clearwater organization. Signature of this contract means that the intern agrees to comply with the rules of the Clearwater and understands that failure to do so will result in a termination of the internship and notification of the sponsoring organization and legal guardian.

Specifically, the intern agrees to the following:

1. No one onboard under 21 years old may drink alcohol during the internship **on or off** the boat.
2. No one onboard under 18 years old may smoke tobacco during the internship **on or off** the boat.
3. Use or possession of illegal drugs is **strictly prohibited on or off the boat**.
4. Interns may leave the boat unattended when not required to work onboard. They must give their destination and estimated time of return to the educator.
5. All interns must return to the boat by **10 PM** each night. While visiting off the boat, interns should remember that their conduct reflects on the Clearwater Organization and the sponsoring organization.
6. All interns must give any prescription medication they need to the educator or medical officer upon boarding. Clearwater will supervise the intern as they take their medication and return the medication at the end of the week. Interns must fill out and submit the emergency medical form before boarding.
7. Interns agree to cooperate with and follow the instructions of the permanent crew members, especially captain, mate and educator.
8. Interns are required to keep a daily log/journal of their experience and meet with the educator individually at least once during their stay.
9. At the end of the internship, interns will fill out an evaluation form and be evaluated by the educator.
10. Clearwater reserves the right to contact the intern's parents/guardians or sponsor at any time.
11. Clearwater reserves the right to ask anyone who does not follow the rules to leave the boat.
