

GREEN STORMWATER INFRASTRUCTURE AND GREEN JOBS FORUM

Wednesday, May 20

1:00 – 4:00 p.m.

Kaplan Hall

**SUNY/Orange,
Newburgh Campus**

1 p.m. – 2:30 p.m. Green Infrastructure & Green Jobs Webcast by the Center for Watershed Protection. Many existing workforce development and employment programs are expanding to incorporate installation and maintenance of green infrastructure practices, particularly in Cities that are ramping up deployment of green infrastructure practices. This webcast will feature several programs around the country, highlighting best practices for these types of programs, as well as critical lessons learned. www.cwp.org/webcasts. It will be followed by a panel of local experts.

2:30 p.m. Brief stretch break and musical entertainment

2:45 – 4:00 p.m. Green Stormwater Infrastructure/Green Jobs Panel includes:

- *Jason Morris, City of Newburgh City Engineer*
- *Omari Washington, Hudson River Sloop Clearwater Green Cities Coordinator*
- *Shabazz Jackson and Josephine Papagni of Greenway Environmental Services*
- *Robert Wright, William Artist, Sr. and William Artist, Jr. of Nubian Directions*
- *Simon Gruber, Environmental Consultant*

Moderated by: Manna Jo Greene, Hudson River Sloop Clearwater Environmental Director
