

This Thursday, July 23, residents of eight municipalities along the Hudson River, from Saratoga County south to New York City, will light candles at vigils as part of our call for General Electric to keep its PCB cleanup going past the end of the year. Will you join us to light a candle?

The **Candlelight for a Cleaner Hudson** events will begin at 7:30 p.m. on Thursday, at eight waterfront area parks. Anyone who cares about the Hudson and its importance to waterfront communities and economies - in other words, you and your family and friends - are warmly invited to participate.

Here is a full list of candlelight vigil locations and contact information. All vigils are on **Thursday, July 23, starting at 7:30 p.m.** (You can sign up officially at the event section of the Campaign for a Cleaner Hudson page on Facebook.)
