Action Alert

This is an urgent and historic moment for
movement to close the
Indian Point Nuclear Power Plant!

There have been **four unplanned reactor shutdowns** over a two-month period at Indian Point - the most the nuclear power plant has experienced in years.

Now, the New York City Council is considering **a resolution calling for permanent shutdown of reactors.** We've waited for this moment for

Now is the time to act!

Step one:

We need to get as many councilmembers possible to sign on as co-sponsors of the resolution.

Here's what you can do:

New York City Residents: Take immediate action!

- Contact your City Councilmember and ask him or her to co-sponsor the Indian Point closure resolution ([Res 0694-2015](#))
- **CLICK HERE** to link to Nuclear Information Resource Service (NIRS) for a quick ID of your councilmember by zipcode. Then, tell us your zipcode and other information to s
