ACTION ALERT: CLOSING INDIAN POINT!

- * NYC Residents, *Contact the City Council!***
- * Friends of NYC Residents,
*Contact Your Friends!***

This is an urgent and historic moment for the movement to close the
Indian Point Nuclear Power Plant!

There have been [four unplanned reactor shutdowns](#) over a two-month period at Indian Point - the most the nuclear power plant has experienced in years.

Now, the New York City Council is considering
[a resolution calling for permanent shutdown of the reactors.](#)

We've waited for this moment for years -

This is the time to act!

We need to get as many councilmembers as possible to sign on as co-sponsors of this resolution.

Here's what you can do:

**New York City Residents:
Take immediate action!**

Contact your City Councilmember and ask her or him to co-sponsor the Indian Point closure resolution ([Res 0694-2015](#))

Call, write, email, or request a meeting!

Please contact MannaJo@Clearwater.org to report your experience.

Spread the word!

Tell friends, neighbors, coworkers!

The City Council needs to hear from all residents. If your councilmember is [already a co-sponsor](#), thank him or her for being a leader and introducing the resolution.

Everyone, Please Help!

If you don't live in NYC, you know someone who does! Forward this email to them right away!

**EVERY NEW YORK CITY COUNCIL DISTRICT IS WITHIN 50
MILES OF INDIAN POINT!**
