Call to Order: The meeting was conducted only by telephone, and solely for the purpose of discussing and passing a provisional budget. After some discussion, Stephen pointed out that the budget proposed requires additional funding of about \$171,000, which we expect will be supported by a combination of events including the Pledgemusic campaign, Revival, and others. The proposed budget was passed unanimously by those present by phone.

Respectfully submitted,

Peter Capek

The next Board meeting is on Thursday, January 24.
