

Sunday, February 2nd

2:30pm - 4:30pm

Newburgh Free Library, 124 Grand St.

“Spilling the Tea”

**Real Talk About Newburgh’s Water & Health
- and what you can do about it!**

Join Newburgh Clean Water Project &
enjoy tea & light refreshments while we
learn from the experts about:

- Results from the PFAS Health Study
- Lead Pipe Replacement & Policy
- PFAS & NYS Protections and more!

Guests include representatives from
University at Albany, NRDC (Natural
Resources Defense Council), and
Environmental Advocates NY.

Hosted by: Newburgh Clean Water Project
